

Report of December, Mickūnų kindergarten, Lithuania

1. Waiting for Christmas

Together with parents our children created some decoration for the Christmas trees, started to prepare the Christmas performances, and also analysed old pictures about the Christmas customs in old times.

2. Customs and traditions

Each group prepared a corner about the Christmas traditions and customs

Children and teachers searched stories, customs and traditions about Christmas in our town via internet.

3. Our Christmas story

We have created a common padlet which contains Christmas stories of each country.

<https://twinspace.etwinning.net/62003/pages/page/519041>

4. Christmas cards and handicrafts.

<https://twinspace.etwinning.net/62003/pages/page/516798>

Children prepared the Christmas cards with different materials, this cards we gave to our partners during our first meeting in Greece.

5. Our Christmas wishes

The teachers created a common padlet with their wishes

6. Christmas presents with useless or natural material

Our children created a beautiful Angels with cone and useless material.

<https://twinspace.etwinning.net/62003/pages/page/522432>

7. Christmas traditional recipes

We created a list with most traditional Lithuania Christmas recipes, shared it with all partners:

<https://twinspace.etwinning.net/62003/pages/page/522391>

And created all together the e-book with traditional recipes around the Europe:

8. Management activities

At the end of December we sent the monthly report of December to our project coordinator.

We have done all project activities for December and we uploaded all our work.

We answered to the questionnaire about December partial evaluation of project implementation. We received on time the list of January activities from our coordinator
In December we had our first training event in Greece.

All partners have been traveled to Rizario Kindergarten of Trikala in Greece.
