

Report of March, Mickūnų kindergarten, Lithuania

1. Welcome Spring

Our teacher read the Greek myth about the Almond tree, our children created an illustration to one of a part of this myth and we placed our work on the padlet.

2. Spring paintings and handiworks

We love very much spring, because of colorful, warm sun and nice sounds of birds, all our groups created a lot of handiworks and paintings for this activity.

We searched spring signs outside, by the walking through our village.

8. Management activities

At the end of March we sent the monthly report of March to our project coordinator. We have done almost all project activities for March, except one, about the Customs of the first Day of March, because we don't have any tradition to celebrate this event, our children just watched to pictures of customs from other countries and we uploaded all our work.

We answered to the questionnaire about March partial evaluation of project implementation.

We received on time the list of April activities from our coordinator
